

General information regarding clearance costs of personal importing shipments

Dear customer,

Please find herewith general information and estimation of the expected customs clearance costs, for import shipments sent to Israel as personal import (differing from commercial import), subject to the clearance processes which may be required by the customs authorities.

The information below refers to customs clearance costs only and does not include freight (shipping) charges. Additional costs may also apply for shipment's customs release such as Duties, Taxes, etc.).

1. Shipments with a declared value up to 1,000 USD.

Most shipments with a declared value of up to 1,000 USD, are expected to be released under simplified clearance process based on the importer declaration produced according to the shipping documents. The value for customs purpose is CIF value which includes the Cost of the merchandise, Freight (shipping) and Insurance if purchased. Duties and VAT if applied will be calculated according the CIF value as mentioned above.

Below please find the charges expected according to the value of goods:

1.1. Shipments with a declared value up to 75 USD:

Normally, most shipments shipped as personal import and a declared value of less than 75 USD (not including freight), are free of charge, except where the shipment is held in accordance with the legality of imports and subject to the relevant authorities' regulations.

Personal import shipments containing alcoholic beverages, tobacco and its products, etc., will be charged for duties and taxes, based on the relevant harmonized code and the clearance costs as mentioned referring the value between 75 USD to 500 USD, even if the total value declared is less than 75 USD.

1.2. Shipments with a declared value between 75 USD to 500 USD:

Most shipments with a declared value between 75 USD to 500 USD are free of Duties however VAT and clearance costs are expected to be imposed as follows:

- *VAT - Will be charged at the declared national rate.
- Customs clearance fee - 174.33 NIS (including VAT).
- Handling fee / Taxes payment - 18.72 NIS (including VAT)
- *Computer fee - 18 NIS - For shipments valued of 100 USD or more. (No VAT applies).

1.3. Shipments with a declared value between 500 USD to 1,000 USD:

- *VAT - Will be charged by law.
- *Duties and Taxes- According to the relevant harmonize code and subject to customs regulations.
- Customs clearance fee - 174.33 NIS (including VAT).
- Handling fee / Taxes payment - 18.72 NIS (including VAT).

- Airport Permit Fee to the Israeli Airports Authority- 31.59 NIS (including VAT).
- *Computer fee - 18 NIS - For shipments valued of 100 USD or more. (No VAT applies).
- *Security fee - 41 NIS (No VAT applies).
-

2. Shipments with a declared value for customs above \$1,000 USD:

Import shipments with a declared value for customs purposes over \$1,000 USD, or import shipments with a declared value of less than \$1,000 USD held for reasons of imports legality, as required by the relevant authorities will be released based on an import declaration to be submitted to customs on behalf of the importer. The value for customs purposes is the CIF value (Cost Insurance, if purchased, & Freight.)

Estimated clearance costs expected:

- VAT, Duties and Taxes - May apply according to the relevant harmonized tariff and subject to customs regulations.
- Brokerage service fee - 333.45 NIS (including VAT).
- Non Routine formal entry - 87.75 NIS (including VAT) or 3% from the tax amount, whichever is greater.
- Storage Fee - according to the warehouse tariff price list, but not less than 14.04 NIS (including VAT).
- Airport Permit Fee to the Israeli Airports Authority - 31.59 NIS (including VAT).
- If physical inspection is required additional amount of 93.6 NIS (including VAT) is applied.
- *Computer fee - 36 NIS (No VAT applies).
- *Security fee - 41 NIS (No VAT applies).

*The fees mentioned above are charged under and in accordance with the Israeli customs regulations and are subject to change according to the Israel customs authority's tariffs.

The charges will be determined for each shipment individually according to the importer declaration, based on the shipment's paperwork and subject to customs requirements, as assessed during the clearance process.
